

Wiener Mozart Orchester

Where are the entrances of the concert halls for wheelchair users?

Musikverein

The entrance for wheelchair users is on the right side of the main entrance where you can find a ramp for a barrier-free access. There is also an electric bell to call the concierge for help.

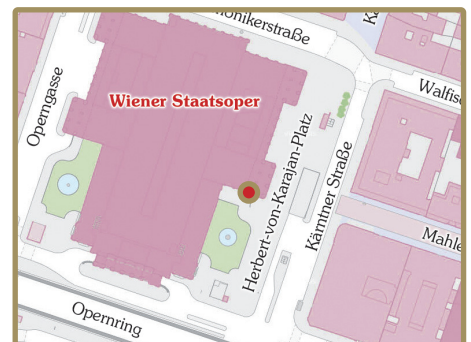

The Golden Hall offers two wheelchair places with escorts in the ground floor box 4 on the right side. More wheelchair places, depending on the availability, are in the balcony boxes on both sides of the concert hall. The Brahms Hall offers two wheelchair places in the 26th row on the ground floor. The Musikverein has three barrier-free toilets.

Vienna State Opera

The entrance for wheelchair users is the side entrance which is located under the arcades on the right side of the Herbert-von-Karajan-Platz. There is also an electric bell to call the concierge for help. It's possible to bridge all steps in the Vienna State Opera with ramps and lifts/elevators. In the Vienna State Opera are four wheelchair places on the ground floor. There are up to 16 more wheelchair places located in the gallery as necessary.

The Vienna State Opera has two barrier-free toilets. Declared assistance dogs are allowed.

Konzerthaus

The entrance for wheelchair users is the main entrance where you can find a ramp for a barrier-free access.

The Great Hall offers up to 18 wheelchair places including escorts at the dais places on the ground floor on both sides of the concert hall. The Mozart Hall offers up to five wheelchair places on the ground floor and on the balcony.

The Konzerthaus has four barrier-free toilets.
